How to join the SABG

At present we request a once-only joining donation of £6 (GBP), €10 (euro) or $10 (US). There is no annual membership fee, but there is a small fee for attending meetings in person.

To join the SABG, you can use this **Registration form (PDF file or Microsoft Office / Word / LibreOffice document)** and return it to us:

- by post: print out the PDF or Word document, fill it in and send it to the address shown on the form, either with a UK bank cheque or postal order or pay by bank transfer or PayPal
- by email to Richard White richard@sabg.uk, preferably by editing the Word document (or PDF form if you can do that) and attaching it to the email (or else by including all the relevant information in your email), not forgetting to make payment by bank transfer or PayPal

More details about the ways to pay the initial joining fee (or to make a donation towards the Bulb & Seed Exchange expenses) can be found on the registration form or here: Payments.
